

July 3rd

For this year's shirt image I have narrowed it to three final candidates. So I'd like to get your pick from them. Please select 1, 2 or 3 and let me know. I'll do the final pick next Friday and send the shirts to production. By then I'll have a good sweep of your thoughts. The shirts are white, really top quality.

Thanks for joining in.

Please spread the word about this year's Not Since Moses. We are short of where I thought we would be at this time. We have 643 signups and I expected about 1000 by now, given the amazing reports the event received since last year including a feature article, beautiful, in the Canadian Runner magazine. We have a limit of 1500 runners under our park permit and I'd like to get there. It is fun to have a crowd, yelling and screaming and slipping and stepping. And it is really important for our schools and other local needs to have lots of entries. Once we pay for the costs, all goes to local good.
